

Ombudsman and advocate for seniors, and one of my district's 2015 Woman of the year.

Whereas, on the Twenty-Second Day of September, of the Year Two Thousand and Fifteen, Dorothy Pooley was recognized as a 2015 Woman of the year.

Whereas, while Dorothy Pooley is officially retired, no one would know it. If you were to ask any of the Seniors at the Willows residential facility, they will tell you how ever-present and beloved she is there as their Ombudsman.

Whereas, Dorothy's long career began in 1954 at the Kennedy Space Center in Florida. She worked for RCA in their Communications Engineering and Optics Engineering Departments and TRW in their Minuteman Program. In the 1970s, Dorothy moved to Glenn County and has worked for the County in numerous capacities including Public Guardian, Court Investigator and Ombudsman.

Whereas, as the Ombudsman for the Willows Center, Dorothy visits with the residents at least weekly. She is a liaison between the residents and their family members and the facility. Dorothy helps residents with problem solving when asked and always brings a friendly smile and a kind word of encouragement to all she comes in contact with.

Whereas, one Willows resident summed up Dorothy with these words, "Dorothy loves what she does. If she is needed, she comes right away to help us solve problems. If she does not know the answer, she will find it for us. I can't think of a better person."

Resolved, That I Congressman JOHN GARAMENDI of California's Third Congressional District, do hereby recognize and celebrate the accomplishments of Dorothy Pooley.

PERSONAL EXPLANATION

HON. NIKI TSONGAS

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Friday, September 25, 2015

Ms. TSONGAS. Mr. Speaker, I was absent from the House on September 24th and 25th to attend my daughter's wedding.

Had I been present, I would have voted against H.R. 348. Rather than improving the environmental review process under the National Environmental Policy Act (NEPA), this legislation would only create confusion, increase litigation, and undermine one of our nation's bedrock environmental statutes.
